Don Weber is the Assistant Director for Traffic Operations and Management for the Delaware Department of Transportation.

In his current position Dan is responsible for work zone safety and traffic control, special event management, homeland security planning, and incident and emergency response which includes operation of the Department's Transportation Management Center and Integrated Transportation Management Systems (ITMS). In his 20 years with DelDOT he has served in a variety of leadership positions in the Division of Planning, Maintenance and Operations and Transportation Solutions.

Don joined DelDOT in 2000 after 12 years of transportation engineering consulting. He holds a Bachelor of Civil Engineering Degree from the University of Delaware and is a registered professional engineer in Delaware. Don is a lifelong Delaware resident and resides near Newark with his wife and daughters.
